ABSTRACT

This directory provides information about many types of Michigan libraries. It is divided into twelve sections: (1) public and branch libraries; (2) library cooperatives; (3) academic libraries; (4) regions of cooperation; (5) regional educational media centers; (6) regional and subregional libraries; (7) Michigan documents depository libraries; (8) federal documents depository libraries; (9) Michigan state agency libraries; (10) special libraries; (11) library associations; and (12) school libraries. Alphabetized in some sections by city and in some sections by title of organization, each entry includes address, phone number, and a contact name, most often a director. Often hours of service, fax number, telecommunication-device-for-the-deaf (TDD) number, and electronic mail address are offered as well. Functioning as a search aid, the first section features cross-references to city or town listings from many public-library names that do not mention or describe the library's location. (BEW)
